From: Richard Hart

Date: January 24, 1979

The FEPC will meet today at 3:00 in Parlin 214. The following items will be on the agenda:

1. Hugh Burns's request to use 308 instead of 306 sections.
(Provisional students make up 70% of the 306 enrollment this semester, a percentage which will skew Hugh's results.)
2. Progress report on the Kinneavy-Witte-Cameron project.
3. Report on the grading criteria statement.
4. Women's tennis schedule versus FEPC (and other matters athletic).

RE: English Classes for Spring Semester

Misses Mary McCreary and Dian Girard are members of the Women's Intercollegiate Swimming Team. They are national level swimmers and must work out from 6:30 to 8:00 a.m. and 2:00 to 6:00 p.m. We would appreciate any consideration you can give in helping them arrange their academic schedules.

Thank you very much.
