April 26, 1979

To: Members of the Freshman English Policy Committee

From: Charles Rossman, Director, Plan II, Honors Program

I am writing with regard to the inquiry sent out on April 25, soliciting preferences from faculty for next year's composition courses.

Among the courses listed as yet to be assigned faculty for the year 1979-80 is included English 603. In fact, there is no possibility for anyone to be assigned a section of E603 for next year. All faculty assignments for E603 were made six months ago, and the names of the teachers for the entire year are already printed in the course schedule.

More importantly, the assignment of faculty for E603 is outside the purview of the Freshman English Policy Committee. E603 is a Plan II course open to Plan II students only, and like all Plan II courses, faculty assignments are made by the Plan II director and Plan II Committee, subject, of course, to the approval of the department chairman.

Sincerely,

A handwritten signature in cursive script that reads "Chuck".
