Dear John:

Here's the list of my expenses for the trip. The only extra expenses I had besides airfare and hotel were two breakfasts, the cost of which are entered in the hotel bill.

218.00	airfare
192.97	hotel + 2 breakfasts

410.97	

Thank you for inviting me to participate in your orientation program and thank you for all wonderful hospitality while in Austin. I'm sorry that you had to pick up the tab for so many of my meals.

I hope things work out well for the writing program, and I also hope that time may heal the wounds that were suffered and inflicted in this last year.

I was very much impressed with what I saw and heard while I was in Austin. You have super graduate students.

May you make a merit, not only on the Corder book but also on the revision of your rhetoric and on the handbook you are going to do with Maxine.

Thanks for everything
